YOUR EXPERIENCES ASHORE

SHORE EXCURSION SUGGESTIONS

Enhance your voyage with our exceptional excursions. From day excursions or private arrangements, we offer you the world. Please visit the Shore Concierge Desk to discuss your options and reserve your excursions. If you prefer, you may request your excursions via MyCruise on you in-suite TV or by completing the Excursion Booking Form in your suite. Your butler will be pleased to deliver this if completed by our deadline.

AMS-K / Dutch Landscape Bicycle Tour 3.00 Hours | \$149

Embrace the beauty and charm of the Dutch countryside in a unique new way during this scenic and exhilarating, half-day excursion via bicycle.

Depart the pier for the short walk to the bicycle shop, where you are outfitted with your bike, and receive your safety instructions and helmet. From here, proceed for a short, guided bike-ride to the ferry terminal, then embark the ferry for the approximately five-minute ride across the water to the Waterland area.

ROUEN, FRANCE

Land of Men from the North

Normandy, known for its lush, rolling landscapes, is now synonymous with tranquility and culinary delights such as Camembert, Calvados, and fresh seafood. But beneath this calm facade, Normandy conceals a vibrant and storied past. A case in point is the fierce battles fought in 1944 by the Allied Forces against Nazi Germany during World War II.

This fiery chapter in history mirrors yet another period of intense conflict that played out over a millennium earlier, when Vikings left their mark on this region. Such was their impact that Normandy, in essence, means the "Land of Men from the North". The first Viking raids on Neustria, as Normandy was known before the Viking era, took place in the late 8th century.

By the mid-9th century, the Vikings had permanently settled in Normandy. In 911, French King Charles the Simple made peace with Viking leader, Rollo, who in return pledged his allegiance to the king, converted to Christianity, and took on the task of defending the region against his compatriots.

The Duchy of Normandy thrived, prospering and expanding, establishing Norman realms as far as the Near East. The most significant expansion was in 1066, when Normandy, under William the Conqueror, claimed territories across the English Channel. Harold Godwinson's ascension to the English throne after Edward the Confessor's death was contested by William. Asserting his right, William marshalled an impressive armada and crossed the English Channel, culminating in the historic Battle of Hastings. This saga, a crucial moment in history, is beautifully captured in the famous Bayeux Tapestry, considered the first-ever comic strip.

SIGHTS

- Notre-Dame Cathedral
- The Gros Horloge
- Historial Jeanne d'Arc
- A stroll along the River Seine
- The Quartier Libre
- Panorama Sainte-Catherine
- Church of St Joan of Arc
- Rue Saint-Romain

SHOPPING AND CUISINE

There are plenty of restaurants in the historic downtown and around the Church of St Joan of Arc, but interesting finds await in alleys outside of the immediate city centre. The area is renowned worldwide for its apples, cider, pears, and dairy products like cheese and milk. Must try the apple brandy Calvados, one of the local specialities. Also, some of the best lamb, duck, and poultry in the whole world can be found here.

Shopping in Rouen is a dream for all art enthusiasts. The city offers numerous antique shops, art galleries and markets. On and around Rue Saint-Romain, right in the centre of the city, you can find many high street and local shops and boutiques.
