AMSTERDAM, NETHERLANDS

A Blend of History, Culture, and Innovation

Amsterdam is not just about its rich history and charming architecture- it's also a city that thrives on vibrant culture and modern innovation. With over 1,500 bridges, Amsterdam is often called the "Venice of the North." The city is renowned for its artistic heritage and strong ties to legendary artists like Rembrandt and Van Gogh, both of whom lived and worked in Amsterdam.

Their legacies are preserved in world-famous institutions such as the Van Gogh Museum and the Rijksmuseum, which house countless masterpieces that attract art lovers from around the globe. The city boasts more than 75 museums, including the poignant Anne Frank House, which offers a moving look into the life of Anne Frank during World War II. Amsterdam's Red Light District, one of its oldest neighborhoods, reflects the city's long-standing progressive and open-minded spirit. With over 165 canals stretching more than 100 kilometers, Amsterdam's canal ring is a designated UNESCO World Heritage site.

The city also hosts numerous festivals throughout the year, such as King's Day, when the entire city turns orange in celebration of the Dutch monarch's birthday.
