# TÓRSHAVN, FAROE ISLANDS

## *Quaint, charming and heritage-rich city*

Titanic scenery, mist-whipped mountains and staggering oceanic vistas await you here in the Faroe Islands - a far-flung archipelago of immense natural beauty. This remote and isolated gathering of 18 islands - adrift in the far North Atlantic Ocean - is a self-governing part of the Kingdom of Denmark, and colourful Tórshavn bustles up against the seafront, forming one of the tiniest capital cities in the world. Wander between pretty, half-timbered houses and visit one of the world's oldest parliament buildings, during your time here. With Viking history swirling too, Torshavn is a quaint, charming and heritage-rich city. Surrounded by thrilling landscapes, and cosy Scandi culture, the Faroe Islands are an envy-inducing, off-the-beaten-track destination. From Torshavn, scatter to your choice of island destinations, or spend time soaking in the storybook appeal and clarity of air in the scenic old town. Pop into local shops or head for restaurants - where you can taste local foods like salt-cured fish and hunks of lamb. See waterfalls plummeting directly into the ocean from vertical cliffs, along with emerald-green carpeted fjords, as you explore these extraordinary, lost islands. Puffins and sea birds relish the island's craggy sea cliffs and coastline - visit the island of Mykines to see the birds burrowing deep into the steep cliffs to nest. Strap on your hiking boots to rise to the challenge of the mesmerising scenery. Fjords etch into the coastline, and you can encounter peaceful lakes and massive valleys dug out by glaciers. Off-shore, sea stacks totter up out of the swelling, frothy waves.

### SIGHTS

- Tinganes Historic District
- Skansin Fortress
- Guðrun & Guðrun Boutique

### CUISINE

In Tórshavn, tradition and innovation harmonize across every plate. Dine on sea urchin, fermented lamb, and seasonal herbs in settings that embrace Nordic purity. At KOKS, the Faroe Islands' acclaimed fine dining temple, each course unveils flavors born from the raw and the remote. From harborside bistros to reimagined farmhouses, Tórshavn offers culinary poetry in every bite.

At Silversea Cruises, we take maximum food precautionary measures to ensure the safest quality product is offered to our guests; Worldwide Public Health Services advise that consuming raw or undercooked meats, seafood, shellfish, eggs, milk, or poultry may increase your risk of food-borne illness, especially if you have certain medical conditions.

### HAND WASHING & HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands. Please use the hand sanitizers situated at the entrance door of the dining outlets and various locations around the ship.
