BOS-CA Historic Boston & Cambridge 3.75 hours | \$99

Experience the rich heritage and excitement of a modern, world-class city and the birthplace of democracy, during this picturesque, half-day excursion through Boston and Cambridge

DECK 5 EXT. 551

OPENING HOURS:

7:30 A.M. - 10:30 A.M. | 4:00 P.M. - 7:00 P.M.

BOSTON, MASSACHUSETTS

A vibrant place with a lively cultural and culinary scene

Historic yet revolutionary, few places embody the American dream quite as well as Boston - and you'll feel the strong independent streak, and pride in the founding ideals of freedom and independence wherever you go. Skyscrapers mingle harmoniously with cobble streets, and every footstep here promises new tales of legend, daring and valour, as you walk through the pages of history and immerse yourself in the stories of one of the USA's oldest cities. The flashing colours of Fall - a period when the foliage around Boston explodes with blazes of red, orange and purple - attract visitors from across the world, more than compensating for the northerly city's harsh winters. Green open spaces like Boston Public Garden also decorate the city, offering breathing space, and the chance to enjoy blossom-perfumed sanctuary, as you sit among scampering squirrels and quiet boating lakes. At times, Boston feels like an open-air history museum, and the Freedom Trail links together the city's many valuable historic sites. It's no exaggeration to say that the world's history pivoted significantly on this humble two-and-a-half-mile trail. Wander across incendiary sites like the Boston Massacre Site, and Bunker Hill - where the first shots of the American Revolutionary War were fired, eventually leading to independence from British rule. Fenway Park is the cathedral-like home of Boston's famous Red Sox, and a must visit for any sports fan. You'll also find plenty of acclaimed New England seafood to sample, including famous buttery clam chowder. Restaurants in the thriving Seaport District serve up freshly harvested crab and lobster, accompanied by spectacular views of the crashing Atlantic waves.

SIGHTS

- Fenway Park
- Faneuil Hall
- Museum of Fine Arts
- USS Constitution
- Harvard Square

BOSTON COMMON

The oldest public park in the U.S. and undoubtedly the largest and most famous of the town commons around which New England settlements were traditionally arranged. Dating from 1634, the Common started as 50 acres where freemen could graze their cattle.
