## NUKU'ALOFA, TONGA

### *The Pacific Paradise Steeped in History and Natural Beauty*

Nuku'alofa is the capital of Tonga, which sits beautifully on the north shore of Tongatapu Island in the Pacific Ocean. This peaceful destination is lined with blissful powder-white beaches and crystal-clear turquoise seas, which are home to a large and lively coral reef. First explored by James Cook in 1777, it is the only island in the South Pacific to have evaded colonization over the years and its name translates to "home of love". This is evident in the friendly welcome you'll get from happy locals along with the deeply relaxed vibe. Take a stroll into town to visit the Talamahu Market. You'll find delightful hand-carved arts and crafts, woven baskets, jewelry, and a large selection of fresh fruits on offer. The sea is ideal for snorkeling with underwater volcanic caves to explore, shipwrecks, and a profusion of colorful fish to spot. Just thirty minutes offshore are the spectacular Mapu'a'a Vaea Blowholes. Known as The Chief's Whistles by locals, water blasts 30 meters into the sky from a concertina of coral rock which creates pockets of pressure.

## HOSPITALITY/TOURISM DESK ON THE PIER

A local representative will be available on the pier. The representative will be able to answer detailed questions and to direct guests to their desired locations. Complimentary brochures and maps may also be available.

## HAND WASHING AND HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands. Please use the hand sanitizers situated at the entrance door of the dining outlets and various locations around the ship.

## SAVE THE WAVES

Silversea is committed to protecting the environment and has a responsibility to ensure that the waterways on which it sails on are not polluted by the fleet. Therefore we ask for your cooperation in helping us to enforce this policy. Please do not throw anything overboard at any time and minimize the usage of water. Be mindful of detergents and soaps used onboard. May we request that you use water sensibly by turning off faucets / taps and showers and do not allow them to run continuously.

Please report any possible situations that could cause pollution to the seas to the Reception Desk on Deck 5 or by calling 555 on any of the ship's telephones. Thank you for your cooperation.
