NOUMÉA, NEW CALEDONIA

A Vibrant Gateway to New Caledonia's Island Paradises

Begin your visit in Noumea, perched gracefully above the shimmering, vibrant reefs of the Noumea Lagoon. From this elevated vantage point, the water shifts in bands of turquoise and deep blue, revealing coral gardens teeming with life below. Make your way into the lively city center, where colorful markets, French-influenced cafés, and the easygoing rhythm of island life create a warm welcome. Pause beneath the swaying palms of Coconut Palm Square, a beloved gathering place where French and Kanak cultures mingle naturally—expressed in music, language, food stalls, and the cheerful conversations drifting through the air. Wander along the open-air waterfront promenade, taking in views of white boats drifting lazily on the lagoon's gentle waters. The sea breeze carries hints of salt and frangipani, inviting you to slow your pace and enjoy the moment. When you're ready for the beach, slip on your tongs—New Caledonia's local word for flip-flops—and settle into a stretch of soft sand. Whether you're swimming in warm, clear shallows, sunbathing beneath the endless Pacific sky, or simply unwinding with a good book as the tide rolls in, the beaches offer a perfect escape.

HAND WASHING AND HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands. Please use the hand sanitizers situated at the entrance door of the dining outlets and various locations around the ship.

SAVE THE WAVES

Silversea is committed to protecting the environment and has a responsibility to ensure that the waterways on which it sails on are not polluted by the fleet. Therefore we ask for your cooperation in helping us to enforce this policy. Please do not throw anything overboard at any time and minimize the usage of water. Be mindful of detergents and soaps used onboard. May we request that you use water sensibly by turning off faucets / taps and showers and do not allow them to run continuously.

Please report any possible situations that could cause pollution to the seas to the Reception Desk on Deck 5 or by calling 555 on any of the ship's telephones. Thank you for your cooperation.

PLEASE NOTE THIS USEFUL INFORMATION WHEN GOING ASHORE.
