NOUMÉA, NEW CALEDONIA

A Vibrant Gateway to New Caledonia's Island Paradises

Use Noumea as your launching point for a collection of idyllic island escapes, each one showcasing the natural beauty and charm of New Caledonia's lagoon. Begin your journey with a visit to Amedee Island, a tiny emerald gem rising from brilliant turquoise waters and crowned by its iconic 19th-century lighthouse. This striking white tower, built in France and transported piece-by-piece to the Pacific, invites visitors to climb its 247 steps. From the top, you're rewarded with sweeping, uninterrupted panoramas of swirling blue currents, coral reefs, and distant islets scattered across the UNESCO-listed lagoon. Back at sea level, immerse yourself in the underwater world that surrounds the island. Snorkel through warm, clear waters where sea turtles glide gracefully through the shallows, clownfish weave between gently swaying anemones, and vibrant reef fish flash by in iridescent colors. For a more relaxed look at the underwater scenery, hop aboard a glass-bottom boat and drift above coral gardens teeming with life. Afterward, unwind on Amedee's pristine beaches, where soft sands meet the shade of towering coconut palms—ideal for a leisurely picnic, a sun-soaked rest, or a quiet moment with the sound of waves.

HAND WASHING AND HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands. Please use the hand sanitizers situated at the entrance door of the dining outlets and various locations around the ship.

IMPORTANT NOTICE

A reminder to all guests that local regulations do not allow any food or food items to be taken ashore in Nouméa. This includes fresh fruit, flowers, vegetables, plants, sandwiches. Please ensure to take your refillable water bottle and hand sanitizing gel with you when going ashore.

GUESTS VISITING THE BEACH ARE RECOMMENDED TO WEAR SHOES OR FLIP FLOPS ON THE BEACH AND SOCKS/WATER FOOTWEAR WHILE SWIMMING DUE TO THE PRESENCE OF CORAL, WHICH CAN CAUSE CUTS AND SCRATCHES.
