## HOBART, TASMANIA

### *Gateway city for Australian and French Antarctic operations*

Mount Wellington's looming, cloud-wisped form is an ever-present sight as you explore booming Hobart, the cosmopolitan capital of Australia's most southerly state. Once a British penal colony, Australia's second-oldest city is now a place to enjoy a free and easy lifestyle. Encircled by dramatic cliffs, landscaped gardens, and rolling vineyards, Hobart offers a striking natural backdrop to its vibrant urban atmosphere.

The city is rich in cultural pursuits, home to museums and respected—if sometimes controversial—galleries that proudly display both new and old art. Fresh sea breezes and a picturesque waterfront location contribute to Hobart's creative energy, where local artisans showcase their work at the massive Saturday Salamanca Market, attracting visitors from across Tasmania and beyond.

Dining by the waterfront is a delight, and the ascent up Mount Wellington offers a powerful reminder of Hobart's unique remoteness. From the summit, sweeping views reveal flowing forests, undulating mountains, and the endless ocean surrounding the city. A short journey outside Hobart brings you to animal sanctuaries where you can meet some of Tasmania's most iconic wildlife, including the famous Tasmanian devil.

For those with a thirst, Hobart's long brewing tradition invites you to enjoy a refreshing ale poured from the country's oldest brewery. The region's climate—marked by generous sunshine and cool Antarctic breezes—also creates ideal conditions for acclaimed wines. Thick clusters of pinot noir grapes ripen in nearby vineyards scattered along the valleys, where you can savor tastings paired with artisan cheeses and sausages.
