CAPE TOWN, SOUTH AFRICA

The Tavern of the Seas

Sprawling across endless, staggeringly blue coastline, and watched over by the iconic plane of Table Mountain, Cape Town is without doubt one of the world's most beautiful cities. A blend of spectacular mountain scenery, multiculturalism and relaxed ocean charm awaits in the Mother City, where you can venture out to rolling vineyards, dine in laid back sea suburbs, or spend days exploring cool urban culture. Cape Town's natural splendour fully reveals itself as the cable car rears sharply to the top of Table Mountain. From the summit, 3,500 feet above sea level, you can let the scale of the panoramic vistas of the city rolling down towards the ocean wash over you. Another heavenly perspective waits at the top of Lion's Head's tapering peak. A sharp hike and an early start is required, but the views of the morning sun painting Table Mountain honey-gold are some of Cape Town's finest.

Cape Town's glorious sunshine and inviting blue rollers can be a little deceiving - these oceans are anything but warm at times, with nothing between the peninsula's end and Antarctica's icy chill. This cool water has upsides though, bringing a colony of adorably cute African penguins to Boulders Beach. Boarded walkways offer the perfect vantage point to see the cute creatures dipping into the sea and lounging in the sun. Nearby, journey to the end of Africa at the Cape of Good Hope, where you can stand at the bottom of this mighty continent, watching out over the merging waves of the Atlantic and Indian Oceans.

Cape Town's beauty is counterpointed by the ominous island form, which sits four miles offshore from the bustling restaurants and lazy seals of the lively V&A Waterfront. A living history lesson, you can sail in the ships that transported prisoners out to Robben Island, before a former prisoner tells of the traumas of life on this offshore prison. Your guide will show you the cramped cells, and render Mandela's long walk to freedom in heartbreaking, visceral clarity.

TABLE MOUNTAIN

Table Mountain is Cape Town's most famous landmark, revered for thousands of years by the Khoisan people, who called it Hoerikwaggo, meaning "Mountain in the Sea." First climbed by a European in 1503, it later became a vital navigational beacon for ships arriving at the Cape. Today, with its iconic flat summit and panoramic views, Table Mountain remains a powerful symbol of the city's natural beauty and history. The opening of the Table Mountain Aerial Cableway in 1929 made the summit accessible to visitors from around the world. Now protected as part of Table Mountain National Park, it is also recognized as one of the New7Wonders of Nature, celebrated for both its scenic splendor and cultural significance.

TIPS FOR STAYING SAFE

Currently, pickpockets and muggers tend to prey on tourists. Your safety is our main concern. Please exercise care when going ashore with wallets, handbags, sunglasses and camera equipment. Avoid highly visible jewellery, handbags or expensive-looking watches, sunglasses or camera equipment. Do not use large denominations when paying street vendors as this may attract unwanted attention. Do not accept food or drinks from strangers. Avoid walking around the port area, unaccompanied, especially after dark. Use licensed taxis and keep to the main streets when unsure of your surroundings.

HAND WASHING & HAND SANITIZING

Keeping hands clean helps prevent illness and the spread of germs. Wash with soap and water when possible; alcohol-based sanitizers also reduce germs quickly. Please use the hand sanitizers at dining-area entrances and throughout the ship.
